## WELCOME TO MAZATLAN

Mazatlan is a sunny stretch of land that skirts the Pacific Ocean just below the Tropic of Cancer. With the rugged Sierra Madre mountain range forming a dramatic backdrop beyond the city limits, it's a place of modern-day comforts and time-proven pleasures. Famous for the "Golden Zone" of luxury resorts along its sandy shores, the centuries-old heart of the city draws visitors as well. Here, shady plazas are punctuated by soaring church spires and colorful markets. Eco-adventures and quaint towns nearby also await your exploration—bienvenido!

For security reasons, we cannot accept any deliveries to the ship by shoreside merchants. This includes liquor & tobacco.
